Untold Agony from Catarrh.

Prof. W. H. Hause, the famous mesmerist, of Utica, N. Y., writes: "Some years ago I suffered greatly from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, however, caused my voice to become hoarser, until I could hardly speak above a whisper. The morning coughing and clearing of the throat would almost strangle me. By the aid of Dr. Sage's Cataract Remedy, in three months I was a well man, and the cure has been permanent."

Constantly Hawking and Spitting.

THOMAS J. RUSHING, Esq., 2902 Pine Street, St. Louis, Mo., writes: "I was a constant hawker for many years, and during a cold hardy weather, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils, thought myself really dying. I consulted Dr. H. H. Smith, who advised to try Dr. Sage's Cataract Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astonishing results, and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, post-paid to any address, on receipt of a two-cent postage stamp.
